CA Grameen strongly prefers to receive such notice of any potential RPT well in advance so that the Audit Committee/Board has adequate time to review information about the proposed transaction.

3.2 PROHIBITIONS RELATED TO RELATED PARTY TRANSACTIONS

All RPTs and subsequent material modifications, if any, shall require prior approval of the Audit Committee, subject to compliance with other conditions specified under SEBI Regulations. However, the Audit Committee may grant omnibus approval for RPTs proposed to be entered into by CA Grameen and its subsidiary subject to the following conditions:

- a) The Audit Committee will lay down the criteria for granting the omnibus approval in line with the policy on RPTs of CA Grameen and such approval shall be applicable in respect of transactions which are repetitive in nature. Such criteria can related to the urgency of entering into the RPT, the nature of such transactions, the estimated value of such transactions, unique terms and conditions which are specific to such transactions, the counterparty of the transaction, the mutual benefits to be accrued for each of the parties and such other matters as may be considered necessary by the Audit Committee from time to time.
- b) The Audit Committee shall satisfy itself the need for such omnibus approval and that such approval is in the interest of CA Grameen.
- c) Such omnibus approval shall specify (i) the name/s of the related party, nature of transaction, period of transaction, maximum amount of transaction that can be entered into, (ii) the indicative base price / current contracted price and the formula for variation in the price if any and (iii) such other conditions as the Audit Committee may deem fit.

3.3 REVIEW AND APPROVAL OF RELATED PARTY TRANSACTIONS

a. Audit Committee

Unless otherwise stated in this Policy or exempted under applicable laws, all Related Party Transactions including material Related Party Transactions and subsequent material modifications shall require prior approval of the Audit Committee.

To review a RPT, the Committee will be provided with all relevant material information of the RPT, including the terms of the transaction, the business purpose of the transaction, the benefits to CA Grameen, and any other relevant matters. In determining whether to approve a RPT, the Committee will consider the following factors, among others, to the extent relevant to the RPT:

- ✓ Whether the terms of the RPT are fair and on arm's length basis to CA Grameen and would apply on the same basis if the transaction did not involve a Related Party.
- ✓ Whether there are any compelling business reasons for CA Grameen to enter into RPT and the nature of alternative transactions, if any.
- ✓ Whether the RPT would affect the independence of an independent director.
- ✓ Whether the proposed transaction includes any potential reputational risk issues that may arise as a result of or in connection with the proposed transaction.
- ✓ Whether CA Grameen was notified about the RPT before its commencement and if not, why pre-approval was not sought and whether subsequent ratification is allowed and would be detrimental to CA Grameen; and
- ✓ Whether the RPT would present an improper conflict of interest for any director or KMP of CA Grameen, taking into account the size of the transaction, the overall financial position of the director, Executive Officer or other Related Party, the direct or indirect nature of the director's, KMP's or other Related Party's interest in the transaction and the ongoing nature of any proposed relationship and any other factors the Board/Committee deems relevant.

If the Committee determines that a RPT should be brought before the Board, or if the Boarding any case elects to review any such matter or it is mandatory under any law for Board to approve the RPT, then the considerations set forth above shall apply to the Board's review and approval of the matter,

with such modification as may be necessary or appropriate under the circumstances.
